Centreboard News

We wish to welcome the new members of the centreboard committee and thank the departing members for their long service, Tony Dalbeth, Geoff Pye, Gary Colebrook and Ric McCready.

We are looking forward to a revitalized programme set by our enthusiastic coaches.
Saturday morning Level 1 + at Lake Manuwai led by Doug, Derry, Harley and others
Sunday morning at Doves Bay with David Ferris Group, Level 2+
Sunday afternoon at Doves Bay racing and cruising groups with Peter Sharp (all welcome)
Monday after school at Lake Manuwai all comers with Derry Godbert.
Monday evening Ladies Learn to Sail with Aevril at Doves Bay
Tuesday afternoon Level 3 + training and racing for "old farts" once again all welcome.

We wish to thank Ray Haslar for his work on the Etchell now in the water, Owen Smith, Steve Miller and Ray took it out for a test sail.

Ray has also been busy getting our container transformed into a working hub, where yacht spars and sails can be stored, and misadventures noted and fixed. We also are going to make this our hub for debriefings and a get together with snacks after the boats are washed down and stored.

A chance to mix and mingle sailors, supporters and coaches.

Also looking forward to the keeler opening day race where we will be encouraging keelers to take our keen centreboard children on board.

Doug France
Chairman Centreboard Committee.

Jake Pye & Blair Tuke "New World Kerikeri Cruising Club Champions"

Fun Team Sailing Day at Lake Manuwai

Sunday 23rd September saw pleasant weather with a nice 8 to 10 knots from the south west. Tony Calnan and family were up early, setting up BBQ, small marquee and rigging 6 Mistrals. Maxine and Charlie Cates arrived to help rigging the Mistrals and lay the course. By 10.0 am all was ready but no one else arrived possibly due to Riverview School Bazaar and also not enough ringing round by me. [too much holiday time off].

We launched 2 Mistrals and had a few pleasant "match" races around the course with both Tony and Maxine enjoying some sailing. We came ashore at lunch time and after tidying up headed off to the bazaar and other places. The Radio fleet had about 30 boats on the water but were very friendly. It seems hard to find a suitable time for this regatta will have to consult further if there is to be a next time."

Derry

"Log In" Piles to talk about

Replacement piles have been installed through-out the marina & on the fuel jetty. At long last the mast gantry is back up. Now we need volunteer "Mast Gantry Masters" to run it.

Racing & Learning Opportunity Available

Join the Friday Rum Races in the Club's Etchell. If you have learnt to sail & want to take the next step this could be the opportunity for you. Race every fortnight (you need to commit to a whole racing season) with three other newish sailors & an experienced supervisor.

A great first keelboat experience. You'll get absolutely soaked, be exhilarated & terrified in equal measure & learn lots! First race in October but crew places are limited to three so be quick.
